O R D E R:

In the reference 1st read above, to safeguard the interests of the depositors, Government have appointed the Additional Director General of Police, Crime Investigation Department or Inspector General of Police, C.I.D. as the case may be as "Competent Authority" under sub-section (1) of section 4 of the Andhra Pradesh Protection of Depositors of Financial Establishments Act, 1999 (Andhra Pradesh Act No.17 of 1999) to exercise control over the properties attached by the Government under section 3 of the said Act;

2. In the letter 2nd read above, the Additional Director General of Police, Crime Investigation Department, Andhra Pradesh, Hyderabad has reported that, a case of cheating occurred prior to 14-04-2015 at Nandyal Town, Kurnool dist., wherein the accused Sri Nagireddy Keshava Reddy @ Keshal Reddy, Chairman of Keshava Reddy group of Schools, Andhra Pradesh and Telangana States with fraudulent and dishonest intention, cheated the public by receiving crores of rupees towards school fees by promising that the amount would be refunded after completion of education of the depositors wards, by giving false advertisements about their Keshava Reddy Schools/ Institutions with false promises and schemes. Thus received huge amounts from the public offering attractive rates of interest for the purpose of developing his educational Institutions. He purchased the properties in his name and others. The accused defaulted in refund of the deposits either in cash or in kind or in any other manner to the depositors. The accused collected around Rs.750 Crores from innocent and gullible people and disappeared suddenly from August 2014.

3. The Additional Director General of Police, Crime Investigation Department, has stated that, based on the complaints of depositors, 5 cases have been registered at various Police Stations in Kurnool District and those cases were taken over by CID for further investigation.

4. The Additional Director General of Police, Crime Investigation Department, has also stated that during the course of investigation, it is established that in the year 1983, Sri Nagireddy Kesavareddy had started his life as English Teacher and worked with different educational institutions for 10 years. In June 1993, he started a school in the name and style of Keshava Reddy School in a rented building at Sanjeeva Nagar, Nandyal town with 193 students.His school students got State ranks in public examinations. At that time, he hatched a plan and introduced a new scheme with an offer to the parents that if they deposit lump-sum amount for one student at the time of joining in his school, he will provide free education, lodging, boarding, books and uniform etc. and after completion of education i.e., 10th class or otherwise leaving the school in any manner, he will return the deposited amount to the parent of the student. He collected a deposit amount of Rs.1 lakh initially and he increased the deposit amount up to Rs.3 to 5 lakhs. Many parents were attracted to this scheme and started joining their children. As it proved to be more profitable for Keshava Reddy, he started expanding his establishment by opening schools at various places. He also expanded his education business and established 11 associated educational societies viz. (1) Sri Mahanandeshwara Educational Society, (2) Sri Venkateshwara Educational Society, (3) N.Keshava Reddy Educational Society, (4) Sri Surya Educational Society, (5) Sri Kanaka

Durga Educational Society, (6) Sri Satyanarayana Swamy Educational Society, (7) Keshava Reddy Educational Society, (8) Sri Keshava Reddy Educational Society,(9) Bharath Reddy Educational Society, (10) Keshava Reddy Educational Trust and (11) Saraswathi Educational Society. Likewise, around 50 schools were established in Andhra Pradesh and Telangana states.

5. Later, he came to know that collection of deposits without RBI permission is violation of Andhra Pradesh Protection of Depositors of Financial Establishments Act, 1999. Subsequently, the Chairman started taking back all the deposit receipts from the parents of the children and in replacement, he gave Promissory Notes, with an intention to escape from the clutches of the Law. As he started expanding his schools at various places, the cost has increased and the money spent was not remunerative. Thus, for the past 2 years, the Chairman has not refunded the deposited money to the parents.

6. The Additional Director General of Police, Crime Investigation Department, has informed that during the searches conducted by CID, certain immovable properties purchased out of the money of the depositors, during the activities of the Educational institutions, were identified and the properties are located in Andhra Pradesh(worth Rs..80,67,14,446/-)&Telangana (worth Rs.24,55,12,738/-),and proposed for attachment of said properties to protect the interests of the depositors

7. In the circumstances reported by the Additional Director General of Police, Crime Investigation Department, Government have examined the matter carefully and hereby issue an ad-interim order for attachment of properties under section 3 of the Andhra Pradesh Protection of Depositors of Financial Establishments Act.1999, as mentioned in the Annexure-I&II, appended to this order in respect of Keshava Reddy Educational Institutions & its Societies, Kurnool and also authorizing the Additional Director General of Police, Crime Investigation Department, Andhra Pradesh, Hyderabad, as competent authority to file an affidavit in the respective Court to make the present orders absolute for attachment of properties .

8. The Additional Director General of Police, C.I.D., Andhra Pradesh, Hyderabad, being the Competent Authority is informed to take necessary further action in the matter accordingly as per the provisions of the said Act and the Rules made thereunder following due procedure and send compliance report to the Government.

9. This order is available on internet and can be accessed at address www.goir.ap.gov.in.
